November 17, 2020

Dear St. Philip the Apostle Parish Family,

This week, we were notified that a member of our parish has tested positive for the COVID-19 virus. Please remember this parishioner in your prayers. Following medical confidentiality law, I cannot tell you the name of this person. This member of our parish family was last in our church buildings this past week. This parishioner has been and continues to practice the quarantine guidelines given to them by their physician.

We remain committed to ensuring the well-being of all our parishioners and staff during this time. We continue to follow all Diocesan Guidelines regarding mitigation, sanitization, and social distancing and are exercising every effort to keep everyone safe as reasonably possible. As part of this process, I ask that anyone who is ill, please do not attend Mass. Bishop Gainer has extended the dispensation from attending Mass and you may view the livestream of our Mass on our parish website and Facebook page.

Please note that the parish office remains closed. If you need anything, please call the office and they will meet your needs that way. If you show up to the office without being told to do so, you will not be allowed in the door.

Again, please join me in praying for our sick parishioner, as well as all those who have been impacted by this virus in any way.

Yours in Christ,

Fr. Lawrence W. Sherdel
Pastor
